Locally Developed Courses: Yukon locally developed courses, following the BAA course protocols, and First Nation Authorized Courses respond to the local needs of the schools and their communities while providing choice and flexibility for students. BAA courses must not have an overlap of more than 20% of expected learning outcomes with authorized courses from the BC curriculum Prior to applying for a new course to be approved, please explore the curriculum list of courses to determine if there is a ministry-developed course in the desired subject area. Please ensure font, font size, spacing, and bullet points all match the current BC curriculum.
